

The one the most commonly reviewed businesses has the business id of fL-b760btOaGa85OJ9ut3w and was reviewed 600 times.

Business name: Rollin Smoke Barbeque

Location: Las Vegas

Review count: 2862

Categories: Restaurants

The most frequent two itemset(businesses reviewed by the same user) is:

- Business name: Secret Pizza
Location: Las Vegas
Review count:4286
Category: Pizza, Restaurants
- Business name: Wicked Spoon
Location: Las Vegas
Review count: 6708
Category: Buffets, Breakfast & Brunch, Restaurants

From these findings we can observe:

- Most of the most frequently reviewed restaurants are located in the state capital Las Vegas. This makes a lot of sense since Las Vegas is the most populated city in Nevada.
- All of them have higher than average number of reviews
- Both the restaurants are located in Las Vegas boulevard, which makes sense because the users like visiting restaurants located in nearby locations.
- Most of the most frequently reviewed businesses are restaurants.
